SESSION: 2022-2023
CLASS - III
SUBJECT: ENGLISH
REVISION WORKSHEET

Name:

Date:

SECTION A – READING

1. Read the passage carefully and answer the following questions –

A loan is the lending money that is given to individuals or organizations. Earlier people used to visit banks for months to get a loan but still, they didn't get a loan. Nowadays, increasing technology has made it very easy. Many best loan apps are available on the Play Store where you can get a loan without much effort. Only you have to follow some steps.

There are many types of loans such as personal loans, home loans, education loans, gold loans, property loans, car loans, etc. A gold loan is the safest loan, in which you have to keep your gold with the bank or financial institution and in return, you take the required capital on it.

a. What is a loan?
